

**If You Owned a U.S. Dollar LIBOR-Based Debt Security
between August 1, 2007 and May 31, 2010,**

***You May Be Eligible To Receive A Payment From Settlement Funds
Totaling \$68.625 Million.***

These Settlements impact individuals and institutions that owned (including beneficially in “street name”) any debt security (a) with a CUSIP number (*see* Question 9 below); (b) on which interest was payable at any time between August 1, 2007 and May 31, 2010 (the “Class Period”); and (c) where that interest was payable at a rate expressly linked to U.S. Dollar LIBOR (*see* Question 6) (“USD LIBOR-Based Debt Securities”). Excluded from U.S. Dollar LIBOR-Based Debt Securities are debt securities issued by any Defendant (*see* Questions 4 and 5) or any subsidiary or affiliate of any Defendant **as obligor**.

*A United States court authorized this Notice. This is **not** a solicitation from a lawyer.*

- Settlements have been reached with seven banks, referred to collectively as the “Settling Defendants” (*see* Question 4), in a class action lawsuit (the “Bondholder Action”) brought on behalf of holders of U.S. Dollar LIBOR-Based Debt Securities (the “Members of the Settlement Classes”, *see* Question 8), alleging price-fixing and manipulation of the London Interbank Offered Rate (“LIBOR”, *see* Question 6). The Bondholder Action claims that the Settling Defendants and the Non-Settling Defendants (*see* Question 4 and Question 5) unlawfully conspired to manipulate U.S. Dollar LIBOR, artificially lowering the rate, resulting in reduced interest payments during the Class Period to holders of U.S. Dollar LIBOR-Based Debt Securities (*see* Question 2 and Question 7). The Settling Defendants deny this claim and maintain they did nothing wrong.
- You are included in the Settlements and entitled to seek a payment if you held a U.S. Dollar LIBOR-Based Debt Security (*see* Question 8) on which interest was payable during the Class Period. Members of the Settlement Classes will release claims through these Settlements only against the Settling Defendants and their affiliated persons and entities; the Settlements do **not** release claims against Non-Settling Defendants.
- The U.S. Dollar LIBOR-Based Debt Securities covered by the Bondholder Action include, but are not limited to, government and municipal bonds, corporate bonds, asset-based securities (“ABS”), mortgage-backed securities (“MBS”) and collateralized debt obligations (“CDOs”) (*see* Question 10). For the purpose of the Settlements, U.S. Dollar LIBOR-Based Debt Securities do **not** include asset swaps, credit default swaps, forward rate agreements, inflation swaps, interest rate swaps, total return swaps, or options.
- In addition to the monetary settlement, the Settling Defendants have agreed to cooperate with Settlement Class Counsel (*see* Question 23) and provide certain information to use in the continuing litigation against the Non-Settling Defendants.
- **Your legal rights are affected even if you do nothing. Please read this Notice carefully.**

BASIC INFORMATION

1. Why did I receive this Notice?

You received this Notice because you may be entitled to money from the proposed Settlements between Bondholder Plaintiffs and the Settling Defendants in this class action lawsuit. This Notice explains the lawsuit, the Settlements, your legal rights, and the process to claim your share of the Settlements.

Judge Naomi Reice Buchwald is overseeing this lawsuit and authorized sending this Notice to you. This lawsuit, known as the Bondholder Action, is being prosecuted in the United States District Court for the Southern District of New York, and is part of a large group of cases referred to as *In re LIBOR-Based Financial Instruments Antitrust Litigation*, MDL No. 2262. These Settlements relate only to the Bondholder Action.

2. What is this lawsuit about?

The Bondholder Plaintiffs (*see* Question 3), who are holders of U.S. Dollar LIBOR-Based Debt Securities sued 15 banks (and certain of their affiliates) (“Defendants”), claiming they conspired to manipulate U.S. Dollar LIBOR during the period between August 1, 2007 and May 31, 2010, artificially lowering the rate for their own benefit. Bondholder Plaintiffs claim that because of Defendants’ alleged wrongful actions, they did not receive as much interest on their U.S. Dollar LIBOR-Based Debt Securities as they would have received, absent the alleged manipulation of U.S. Dollar LIBOR. Bondholder Plaintiffs brought a claim under the U.S. antitrust laws against the Defendants, seeking money damages. The Settling and Non-Settling Defendants deny Bondholder Plaintiffs’ claim and maintain they did nothing wrong. *See also* Question 7.

3. Who are Bondholder Plaintiffs and what is a class action?

In a class action, one or more people called “class representatives” sue on behalf of themselves and other people with similar claims. All of these people together are called the class or the class members. With respect to these Settlements the Bondholder Plaintiffs, Ellen Gelboim and Linda Zacher, are the class representatives. The Bondholder Plaintiffs allege that all holders of U.S. Dollar LIBOR-Based Debt Securities were affected by Defendants’ alleged manipulation of U.S. Dollar LIBOR. A class action is an efficient way to resolve the claims of all class members in one court, at one time, and at no out-of-pocket cost to class members.

4. Who are the “Settling Defendants” in the Bondholder Action?

Settlements have been reached with seven of the Defendant banks: Barclays Bank plc (“Barclays”), UBS AG (“UBS”), HSBC Bank plc (“HSBC”), Citibank, N.A. and Citigroup Inc. (collectively, “Citi”), JPMorgan Chase & Co. and JPMorgan Chase Bank, N.A. (collectively, “JPMorgan”), Bank of America Corporation and Bank of America, N.A. (collectively, “BOA”), and the Royal Bank of Scotland Group plc (“RBS”). These banks are known collectively as the “Settling Defendants.”

5. Who are the “Non-Settling Defendants” in the Bondholder Action?

The Non-Settling Defendants in the Bondholder Action are: Credit Suisse Group AG; Lloyds Banking Group PLC and HBOS PLC; WestLB AG and Westdeutsche Immobilienbank AG; Deutsche Bank AG; Coöperatieve Central Raiffeisen Boerenleenbank B.A. (also known as Rabobank); The Norinchukin Bank; The Bank of Tokyo-Mitsubishi UFJ, Ltd; and Royal Bank of Canada.

6. What is LIBOR?

LIBOR, short for London Interbank Offered Rate, was the most widely used benchmark interest rate for financial instruments worldwide during the Class Period. LIBORs are determined for several currencies, including the U.S. Dollar, and for multiple borrowing periods (called “tenors”) ranging from overnight to one year. They are published each business day. During the Class Period, U.S. Dollar LIBOR was based upon the rates at which each individual bank on the U.S. Dollar LIBOR panel (then consisting of sixteen international banks) could borrow funds, were it to do so by asking for and then accepting offers in the London inter-bank market in reasonable market size, just prior to 11:00 a.m. London time, and was calculated as the average of the middle eight contributed rates by the sixteen panel banks each day. The Settlements only involve U.S. Dollar LIBOR.

**QUESTIONS? CALL 1-888-205-5804
OR VISIT WWW.BONDHOLDERLIBORSETTLEMENTS.COM**

7. Why are there Settlements?

The Bondholder Action was filed on February 9, 2012 and has been dismissed twice first on March 29, 2013, and again on December 12, 2016 (on different grounds). The initial dismissal was overturned by the Second Circuit Court of Appeals on May 23, 2016. Bondholder Plaintiffs' appeal of the second dismissal as to the Non-Settling Defendants was filed on June 16, 2017 and has been awaiting decision by the Court of Appeals since May 24, 2019.

Having assessed a number of relevant factors, including the risk of continued litigation, the likely timeline for completing the litigation, and the cost of trial and further appeals, among others, the Bondholder Plaintiffs and their attorneys believe the proposed Settlements with each of the Settling Defendants are in the best interests of the Settlement Classes. The proposed Settlements do not mean that any law was broken or that the Settling Defendants did anything wrong and are without prejudice to any position any settling party may take in any continued litigation against the Non-Settling Defendants. By agreeing to settle, the Parties avoid the costs and uncertainty of a trial, and eligible Members of the Settlement Classes will have the chance to receive compensation now.

WHO CAN PARTICIPATE IN THE SETTLEMENTS?

8. How do I know if I am a Member of the Settlement Classes?

You are a Member of the Settlement Classes if you owned (including beneficially in "street name") any bond or other debt security

- that has a CUSIP identification number;
- on which interest was payable at any time between August 1, 2007 and May 31, 2010;
- where that interest was payable at a rate **expressly tied** to U.S. Dollar LIBOR.; and
- that was **not** issued by any of the Defendants, their subsidiaries or affiliates as obligor.

These securities are referred to in this Notice as "U.S. Dollar LIBOR-Based Debt Securities." Examples of language showing an express link to LIBOR are found in the Plan of Allocation, available at WWW.BONDHOLDERLIBORSETTLEMENTS.COM.

You are **not** a Member of the Settlement Classes, even if you meet the above criteria, if you are a Defendant in the Bondholder Action or one of the Defendants' affiliated persons or entities. See Appendix 1 at the end of this Notice for the definition of each Settlement Class as set forth in the Settlement Agreement with each Settling Defendant, copies of which may be found at WWW.BONDHOLDERLIBORSETTLEMENTS.COM.

9. What is a CUSIP identification number?

As relevant here, a CUSIP identification number is a unique nine-character identifier assigned to corporate and government bonds and asset backed securities (among other securities) that are registered in the U.S. and Canada. The nine letters and numbers identify the issuer and the type of financial instrument.

10. What are Debt Securities?

Debt Securities represent agreements to lend money in return for the payment of interest and the eventual return of the original principal. U.S. Dollar LIBOR-Based Debt Securities utilize U.S. Dollar LIBOR as the interest rate, which is adjusted at contractually-set intervals. U.S. Dollar LIBOR-Based Debt Securities include, without limitation, government, municipal, and corporate bonds, ABS, MBS and CDOs.

11. Why do the Settlements exclude bonds issued by Defendants?

Numerous cases were filed on behalf of different entities and individuals owning various types of LIBOR-linked instruments who contend that they were harmed by the alleged manipulation of U.S. Dollar LIBOR by Defendants. These Settlements are made with Plaintiffs in the Bondholder Action only. A separate LIBOR lawsuit, known as the OTC Action, was brought by individuals and entities who purchased LIBOR-based debt instruments directly from one of the Defendants (or their subsidiaries or affiliates). You may participate in both the Bondholder Action and the OTC Action if you hold both types of debt securities.

12. What if I am unsure whether I am included in the Settlements?

If you are not sure whether you are included in the Settlements, or whether the U.S. Dollar LIBOR-Based Debt Security that you held during the Class Period is covered by these Settlements, you may call 1-888-205-5804 with questions or visit www.BONDHOLDERLIBORSETTLEMENTS.COM. You may also write with questions to Bondholder LIBOR Settlements, P.O. Box 3076, Portland, OR 97208-3076.

THE SETTLEMENT BENEFITS

13. What do the Settlements provide?

The Settlements, if each is approved, will, as detailed below, create an aggregate Settlement Fund of \$68.625 million that will be used to pay Members of the Settlement Classes who submit valid and timely claims and are determined to have suffered a recoverable injury under the Settlements (“Eligible Members of the Settlement Classes”).

Settling Defendant	Settlement Amount
Barclays	\$ 7,100,000
UBS	\$17,900,000
HSBC	\$11,100,000
Citi	\$ 7,025,000
BOA	\$ 6,250,000
JPM	\$ 6,250,000
RBS	\$13,000,000
Total	\$68,625,000

The cost to administer the Settlements, expert costs, and if awarded, attorney fees and expenses, and any service payment awarded by the Court to Bondholder Class Representatives for acting on behalf of the Settlement Classes will be paid out of the aggregate Settlement Fund (*see* Question 24). Additionally, Settling Defendants will provide certain specified cooperation to the Bondholder Plaintiffs in their ongoing litigation against the Non-Settling Defendants.

More details are available in the Settlement Agreements between Bondholder Plaintiffs and the Settling Defendants, each of which is available at www.BONDHOLDERLIBORSETTLEMENTS.COM.

14. How much will my payment be?

The aggregate Settlement Fund, after deduction of any attorneys’ fees, litigation expenses, and other deductions that may be allowed by the Court (the “Net Settlement Fund”) will be distributed to Eligible Members of the Settlement Classes pursuant to a Plan of Allocation, available at www.BONDHOLDERLIBORSETTLEMENTS.COM. The Net Settlement Fund will be distributed to Eligible Members of the Settlement Classes in proportion to a reasonable estimate of their damages, based on calculating how much interest they should have been paid during the Class Period minus the amount they were actually paid as a result of the alleged suppression of U.S. Dollar LIBOR. A chart showing the alleged daily suppression by tenor (e.g., 1 week, 3 month, etc.) during the Class Period (the “Bondholder Daily Suppression Chart”), developed by Bondholder Plaintiffs’ consulting expert, Professor Fernando Alvarez, is available on the Settlements website. The Court does not sanction the use of Professor Alvarez’s methodology for any purpose other than the Settlements. Professor Alvarez’s Declaration is also available on the Settlements website. The Settlement Agreements may be approved even if the Court changes the proposed Plan of Allocation.

15. When will I receive my payment?

Payments from the Net Settlement Fund will be made to Eligible Members of the Settlement Classes after the Court grants final approval to the Settlements. Any appeals from approval of the Settlements will delay payment and resolving them can take time.

16. What am I giving up to collect under the Settlements?

Unless you exclude yourself from any of the Settlements, you will give up your right to separately sue the Settling Defendants, and their affiliated persons and entities, for the claims being resolved by the relevant Settlements. The specific claims you are giving up against each of the Settling Defendants and all related parties are fully described in the Settlement Agreements, available for review at www.BONDHOLDERLIBORSETTLEMENTS.COM.

You will be releasing each of the Settling Defendants and all related people as described in each of the Settlement Agreements. The Settlement Agreements describe the released claims and released persons in more detail. While the Settlements do not release any claims against Non-Settling Defendants, the Settlements may reduce the amounts potentially recoverable at trial from the Non-Settling Defendants, as explained at paragraph 11.2 of the Barclays, HSBC, Citi, BOA/JPM and RBS Settlement Agreements, and paragraphs 12.1 and 12.2 of the UBS Settlement Agreement. If you have questions about the releases, you can talk to the law firms listed in Question 23 at no cost to you, or you may speak with your own lawyer, at your expense.

The released claims do not, however, include the following:

- Claims to enforce any of the terms of the Settlement Agreements in this case;
- Claims that relate to or arise from the purchase of non-U.S. Dollar LIBOR-Based Debt Securities; or
- Any other claims that do not arise out of the factual predicate of the Bondholder Action.

There have been settlements of U.S. Dollar LIBOR-related actions other than the Bondholder Action, and there may be other such settlements in the future. You may be eligible to recover from more than one settlement. For example, if in addition to your U.S. Dollar LIBOR-Based Debt Securities, you also bought a bond directly from a defendant (or its subsidiary or affiliate) you may also be eligible to recover from the OTC Plaintiffs Action Settlements.

HOW TO RECEIVE A PAYMENT

17. How can I receive a payment?

You will need to submit a Proof of Claim Form by **December 28, 2020, which can be done either by mail or electronically**. Copies of Proof of Claim Forms, as well as instructions for their submission are available at www.BONDHOLDERLIBORSETTLEMENTS.COM. Proof of Claim Forms may be submitted electronically, or mailed to:

Bondholder LIBOR Settlements
P.O. Box 3076
Portland, OR 97208-3076

18. What if my claim is rejected?

If your claim is rejected, you will be provided a letter explaining why (a “Rejection Letter”). The Settlements provide a process to contest the rejection of a claim, including requesting a review. To be valid, your request for review must (i) be in writing, (ii) state the reasons why you are contesting the rejection, (iii) include any supporting documentation, and (iv) be submitted within the time frame set forth in the Rejection Letter. If your dispute cannot be resolved by the Claims Administrator, it may be presented to the Court for review. More details are in the relevant Settlement Agreements, available at www.BONDHOLDERLIBORSETTLEMENTS.COM.

EXCLUDING YOURSELF FROM ANY OF THE SETTLEMENTS

You must decide at this time if you want to exclude yourself from any of the Settlements.

19. What does it mean to exclude myself from the Settlements?

If you want to retain the right to file or maintain your own lawsuit against one or more of the Settling Defendants (i.e., Barclays, UBS, HSBC, Citi, BOA/JPM and/or RBS) about the legal issues in the Bondholder Action, then you must take steps to exclude yourself from each Settlement with the defendant(s) you may want to personally sue. This is also sometimes referred to as “opting out” of the Settlement. If you ask to be excluded from any Settlement, you will not get a payment from that Settlement, and you cannot object to any aspect of that Settlement.

If you have a pending lawsuit against a Settling Defendant or Non-Settling Defendant involving the same legal issues in this case, you may consider speaking to your lawyer in that case immediately. You must exclude yourself from the corresponding Settlement(s) in order to continue your own lawsuit against one or more of the Settling Defendants.

20. How do I exclude myself from participating in the Settlements?

If you are a Member of the Settlement Classes and you wish to exclude yourself from any of the Settlements, you must provide a timely letter or other written document to the Claims Administrator, Epiq, at the address below, requesting exclusion (“Request for Exclusion”).

A Request for Exclusion must:

- Be in writing;
- Be signed by you or your authorized representative;
- State your name, address, and phone number;
- Include a signed statement that “I/we hereby request that I/we be excluded from (one or more of the following) in the *In re LIBOR-Based Financial Instruments Antitrust Litigation*,”
 - The proposed Barclays Settlement,
 - The proposed UBS Settlement,
 - The proposed HSBC Settlement,
 - The proposed Citi Settlement,
 - The proposed BOA/JPM Settlement, and/or
 - The proposed RBS Settlement;
- Provide documentation supporting that you are a Member of the Settlement Classes, which may include, for example, a relevant account statement. Please also provide: (1) the CUSIP number and dollar face amount of each USD LIBOR-Based Debt Security you held as of August 1, 2007; and (2) the CUSIP number, the dollar face amount and the purchase or sales date of each USD LIBOR-Based Debt Security you bought or sold between August 1, 2007 and May 31, 2010. You must also provide any other information reasonably requested by the Claims Administrator. Settlement Class Counsel and the Claims Administrator may assist you in this process.
- Be mailed to the Claims Administrator at: Bondholder LIBOR Settlements, P.O. Box 3076, Portland, OR 97208-3076;
- Be postmarked no later than **November 17, 2020**.

21. Can I participate in some of the Settlements and exclude myself from others?

Yes, you may submit a claim in one or more of the Settlements while electing to exclude yourself from other of the Settlements.

22. If I exclude myself from a Settlement, can I still get a payment from that Settlement?

No. If you exclude yourself from a Settlement you will not be eligible to receive any payment in that Settlement.

THE LAWYERS REPRESENTING YOU

23. Do I have a lawyer in the case?

The Court has appointed two law firms – Morris and Morris LLC Counselors At Law and Weinstein Kitchenoff & Asher LLC as “Settlement Class Counsel.” They can be contacted at:

Karen Morris Morris and Morris LLC Counselors At Law 4023 Kennett Pike, #254 Wilmington, DE 19807	Robert Kitchenoff Weinstein Kitchenoff & Asher LLC 150 Monument Road, Suite 107 Bala Cynwyd, PA 19004
---	---

You will not be charged for contacting these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

24. How will the lawyers be paid?

Settlement Class Counsel will ask the Court for attorneys’ fees of up to one-third of the \$68.625 million aggregate Settlement Fund, as well as reimbursement for litigation expenses incurred on behalf of the Settlement Classes. The fees and expenses awarded by the Court will be paid out of the Settlement Funds. The Court will decide the amount of fees to award. Settlement Class Counsel will also request that special service payments of up to \$25,000.00 each be paid from the aggregate Settlement Fund to the Bondholder Plaintiffs for their service as representatives on behalf of the Settlement Classes.

OBJECTING TO ANY OF THE SETTLEMENTS

25. How do I file an objection related to any of the Settlements?

If you are a Member of the Settlement Classes, and do not exclude yourself, you can object to the award of attorneys’ fees and reimbursement of expenses, or to any other aspect of any of the Settlements. To object, you must submit a letter or other written document that includes the following:

- Your name, address, and telephone number;
- A statement saying that you object to one or more of the (i) Barclays, (ii) UBS, (iii) HSBC, (iv) Citi, (v) BOA/ JPM, and/or (vi) RBS Settlement(s) in the Bondholder Action in *In re LIBOR-Based Financial Instruments Antitrust Litigation*;
- Whether you plan to appear at the Fairness Hearing;
- Proof of membership in the Settlement Class, including documentation that you owned at least one U.S. Dollar LIBOR-Based Debt Security (i.e., on which interest was payable during the Class Period (from August 1, 2007, through May 31, 2010));
- The specific reasons for your objection(s), along with any supporting materials or documents that you want the Court to consider; and
- Your signature.

Your objection(s) may be submitted in one letter as long as you are clear to which of the Settlements you are objecting. To be valid, your objection(s) must be mailed to the addresses listed in Appendix 2 at the end of this Notice for each settlement to which you wish to object, with a postmark no later than **November 17, 2020** and must include all of the information listed above.

26. What is the difference between objecting and asking to be excluded?

If you remain a Member of the Settlement Classes, you may file an objection as to any provision of one or more of the Settlements. Excluding yourself is telling the Court that you don’t want to be part of that Settlement. If you choose to exclude yourself from a Settlement, you cannot recover under that Settlement or file an objection related to that Settlement, because that Settlement no longer affects you.

THE FAIRNESS HEARING

27. When and where will the Court decide whether to approve the Settlements?

The Court will hold a hearing, called the “Fairness Hearing,” to decide whether to approve the Settlements, the Plan of Allocation, and any requests for attorneys’ fees, reimbursement of litigation expenses, and service awards to the Class Representatives. You are not required to attend. You may, however, attend the hearing, and you may ask to address the Court. If there are objections, the Court will consider them and may allow people who have asked to speak at the Fairness Hearing.

The Fairness Hearing will be held at 11:00 a.m. on **December 16, 2020**, at the Daniel Patrick Moynihan United States Courthouse, Southern District of New York, 500 Pearl St., New York, NY 10007, Courtroom 21A. Without additional notice, the Court may change the hearing’s date, time, location, or how the hearing will be conducted, so it is a good idea to check www.BONDHOLDERLIBORSETTLEMENTS.COM or call 1-888-205-5804 if you are going to attend the hearing. At or following the Fairness Hearing, the Court will decide whether to approve each of the Settlements, how much to pay Settlement Class Counsel, and whether to approve service awards to the Class Representatives. These decisions may take time. Please do not contact the Court.

28. Do I have to attend the hearing?

No. Settlement Class Counsel will represent the interests of the Settlement Classes at the Fairness Hearing. You are welcome to attend. If you send an objection, you do not have to come to Court to talk about it. As long as your written objection is postmarked by **November 17, 2020**, the Court will consider it. You may also have your own lawyer attend, at your expense, but it is not necessary.

29. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To speak at the Fairness Hearing, you must send a letter or other written document saying that the letter or document is your “Notice of Intention to Appear” at the Fairness Hearing in the Bondholder Action in *In re LIBOR-Based Financial Instruments Antitrust Litigation*. Be sure to include your name, address, telephone number, and signature. You must send your “Notice of Intention to Appear” to the relevant addresses listed in Appendix 2. To be valid, it must be postmarked no later than **December 2, 2020**.

OBTAINING ADDITIONAL INFORMATION

30. How can I obtain additional information?

Appendix 1: Settlement Class Definitions from Settlement Agreements

Barclays Settlement Agreement:

1.8. “Bondholder Class” or “Settlement Class” means all persons or entities (other than a Defendant and its employees, affiliates, parents, and subsidiaries) that owned (including beneficially in “street name”) U.S. Dollar LIBOR-Based Debt Securities during the Class Period.

1.51. “U.S. Dollar LIBOR-Based Debt Securities” means any U.S. dollar-denominated debt security (a) that was assigned a unique identification number by the CUSIP system; (b) on which interest was payable at any time during the Class Period; and (c) where that interest was payable at a rate based upon U.S. Dollar LIBOR (“USD LIBOR”).
